Rules For Claiming Scholarship Award

1. You have four years to claim your scholarship award.
2. Award recipients not providing satisfactory evidence that they are enrolled in an engineering curriculum within four (4) years of the date of award shall forfeit the Scholarship.
3. Please keep in contact with SJEC if you feel that you will need the full four-year period to decide.
4. Scholarship award recipients shall provide satisfactory evidence that they are enrolled in an Engineering curriculum in order to claim their scholarship award.
5. Letters of acceptance, class schedules, or tuition bills are not an acceptable form of verification.
6. Satisfactory evidence of enrollment shall consist of a Verification of Enrollment Form or Proof of Registration from the Registrar's office at your College or University. The form **must** state that you are enrolled in an engineering curriculum. Enrollment Verifications from the National Student Clearinghouse are not acceptable unless they indicate your Major.
7. Attached are several sample forms that shows the information that must be provided. Take this to the Registrars Office and they will be able to provide you a form with the necessary information.
8. Have the college mail the information to:
Laurence Test, Treasurer
San Joaquin Engineers Council
PO Box 4561
Stockton, CA 95204
